Financials:

- Jason discussed the financial report and financial activity.
- Discussion on evaluating track program fees for 2026.

Regional Business:

- Paint'n'Sip: images and ideas provided to location by Chelsea, waiting for response.
- Website: images and issues are being experiencing by users. To be fixed.
- SCCA Gear: page to provide Reno Region branded items.
- Minden Airport contact provided from Region member. Potential for TRSS program site if they have the space. Dave has offered to connect with provided contact.

Street Survival ("TRSS"):

- Next event Nov. 15th.
- 13 registrations for students.
- Scott to obtain airbags.

RoadRally:

- None planned.

Solo (Autocross):

- Next event Oct. 11-12.
- To order trophies/awards for annual banquet.

Time Trials and Track Events:

- Two day event, incentive program based on participation for drivers and volunteers: 5th event free if you drive/work four consecutive events.
- Volunteers are paid \$75 per full day. Did not need to hire volunteers from the track.
- SCCA to host National Time Attack event in May 2026 also at Thunderhill.

Ideas/To-Do/Misc:

- Idea to run Time Trial and AutoX on Sunday at Thunderhill with and without Sacramento Region. Dave to connect with track, Jason to connect with Sacramento Region.
 - Perhaps a competition?
- SF Region hosting time attack and track day event, having difficulty finding participants, idea to have Reno Region participate to bolster participant numbers.
- Interest expressed for Track Program meeting, town hall prior to beginning of season before Christmas 2025.

Meeting adjourned at 7:27 PM
