 - Sam reported receiving positive feedback on event.
- TT/TE Event #4 – 3-Mile – August 10
 - Will keep an eye on weather. Debating starting 30 minutes early due to possible heat.
 - Make sure to tech inspection is ready to get cars through promptly. Send drivers update a week in advance recommending self-tech.
- 2025 Scheduling – Thunderhill Dates
 - Thunderhill Raceway wanting to get dates much earlier than in past years.
 - SCCA TT Nationals committed to having more separation between Reno and National events
 - Dave seeking 2-3 volunteers to assist with scheduling plan.
 - Dave recommends no more than four total days. Definitely no more than four weekends.
 - Anthony will make Facebook post for call to volunteers.
- Equipment check
 - Tow truck and Infiniti are allowed to be stored at track. Stored in the open. Not charged at this time.
 - Tow truck registration sticker
- Dave working setting up Track Records (lap time records, etc.)
 - Going back to 2019-2020
 - Need a future place to post track records on website
