

# Reno SCCA – July 2023 Board of Directors Meeting Minutes

**Date:** July 12, 2023 - 6:30pm - Google Meet Online Conference Call

June 2023 Board of Directors meeting minutes posting to Reno SCCA website in progress. Reading of minutes waived. Approved by board.

## Financial Report

- June 2023 Financials Report Overview
  - Brittany unable at moment. Will send at latter time.

## Regional Business

- New Website - New logos in progress by Jacob Greene
  - Dave - Requests to save old legacy logos. Lots of clothing/merch uses it.
- Northern Sierra RoadRally Trek Recap - July 8
  - Overall very successful. May plan another Trek during October/November offseason
  - A few cars dropped out of Trek due to confusion of which “Donner Party Park” we were heading to
  - Some concerns with the pacing being too fast on public roads and vehicles present. Radios for future Treks would help.
    - Add radios, and mid-car, sweeper rear car
  - Feedback from Dave - Some more time to chat would be good. Longer stops time.
  - Feedback from Eric - Miscommunication on ending restaurant location.
- Street Survival November 4

## Solo

- Solo Rounds 7-8 - June 17-18
  - Went smoothly, no issues or concerns reported.
- Solo Rounds 9-10 - July 15-16
  - Registration open on MSR
  - Very high temperatures forecasted (100+ by mid-afternoon)
- Solo van registration given to Stephanie M.
- Considering storing van at Patrick D. rental storage location and to not use current Stead storage. Stead location has lock number changed multiple times without notice and stuff almost blocking van/trailer in. Easier logistics for Pat and Cameron.
  - Pat looking into non-covered storage, and place will get back with quote.
  - Dave - Offseason, park van at Dave’s place. Van at Pat’s place during season?
  - Trailer - Pat can check what type of trailer SFR in at Crow’s Landing
- Initial discussion of end of event “fun runs”

## Time Trials and Track Events

- June 24-25 Time Trials and Track Event Recap
  - Early estimated cash flow is at \$2900
    - Track did not charge \$1000 for the two nights on paddock, but may charge later.
  - Request from one of the drivers to move class due to incorrect classification.
    - Need to get revised results to Cameron
  - Overall, good event. Good feedback. Some comments on novice coaching.
  - Sam - Open to doing things that help keep people over for Day 2 (barbeques, treats, pot luck, oktoberfest, etc.)
- July 22 event planning
  - Currently 9 TE and 17 TT registrations
  - Dave in process of setting up timing computer
  - Dave will coordinate with Andy on trailer and computer
